GIANPAOLO CUGOLA

Vice Rector for Digital Infrastructures
and Services at the Politecnico di Milano

Gianpaolo Cugola

Vice Rector for Digital Infrastructures and Services at the Politecnico di Milano

Gianpaolo Cugola is Vice Rector for Digital Infrastructures and Services at the Politecnico di Milano, where he is also a Full Professor of Information Processing Systems. At the same institution, where he also completed his degree in Electronic Engineering and his PhD in Information and Automation Engineering, he has served as Coordinator of the Computer Engineering Programme, as member of the Polytechnic High School Board and as member of the Energy Commission.

The author of numerous international journal articles, books and conference proceedings, his research focuses on methodologies, technologies and software tools for developing complex distributed systems with high dynamics. He is also listed in the World's Top 2% Scientists ranking compiled by Stanford University.
