Art. 1 – Beneficiaries

This announcement is open to students of all schools of Politecnico di Milano that during the academic year 2024/25 are enrolled in the 1st or 2nd year of a Laurea Magistrale programme (equivalent to Master of Science), in the 4 or 5th year of the 5-year single cycle programme (laurea magistrale a ciclo unico) or in a Doctoral programme (PhD).

The candidate must still be enrolled at Politecnico di Milano at the time of carrying out the Summer School.

Art. 2 – Description of the project

Information about Summer Schools programme can be found at: Summer Schools - IDEA League

There are no tuition costs.

Board and lodging will be offered by the host institution, while travel costs will be paid by the student.

The activities carried out will be recognized in the student's career, as a surplus of credits, according to the rules defined by each School.

Art. 3 – Presentazione della candidatura

In order to apply for the selection you need to fill in, **within April 25, 2025,** the application form available at the following link Summer Schools - IDEA League.

For the Summer School "Closing the loop: (Re-)Design for Disassembly and Circular Economy" offered by Chalmers University of Technology, the deadline is moved up to **April 11, 2025**.

You will be able to apply using Politecnico di Milano on-line services credentials.

While applying, you will be asked to include name and e-mail address of your Supervisor. Given that these fields are compulsory, but not required by Politecnico di Milano, in order to complete the application it is possible to specify: none/not available.

> In the field Student or Employee number, the **student identification number must** be clearly indicated.

The application must be submitted along with:

- Curriculum vitae & list of publications (if available);
- Motivation letter;
- Recommendation letter (optional);

Art. 4 – Requirements for participation and pre-selection procedure for students enrolled in a Laurea Magistrale programme or in the 5-year single cycle programme

Students who, at the closure of the application, have obtained a weighted average of at least **27/30**, can participate in the pre-selection, as long as they have achieved:

- at least 30 ECTS if enrolled in the 1st year of a Laurea Magistrale programme;
- at least 50 ECTS if enrolled in the 2nd year of a Laurea Magistrale programme (with registration in the second semester of the academic year 2023/24);
- at least 80 ECTS if enrolled in the 2nd year of a Laurea Magistrale programme (with registration in the first semester of the academic year 2023/24);
- at least 204 ECTS if enrolled in the 4th year of the 5-year single cycle programme;
- at least 260 ECTS if enrolled in the 5th year of the 5-year single cycle programme;

Separate lists will be made for each Summer School taking into account the participation requirements specified for each Summer School.

The ranking will be defined on the basis of the weighted average, calculated on credits useful for the achievement of the degree, already achieved and regularly registered in the student's career by the end of this announcement, as well as on the basis of the credits achieved in respect to the minimum number of credits foreseen for each semester (30 ECTS).

A specifically appointed Commission will also evaluate the motivation letter and the coherence between the choices and the training career of each candidate.

Art. 5 – Pre-selection procedure for students enrolled in a Doctoral programme (PhD)

A specifically appointed Commission will evaluate the applications submitted, on the basis of:

- curriculum vitae;
- publications;
- motivation letter.

Art. 6 – Nomination and final selection

Five places are available for each Summer School. If necessary, places will be split as follows:

- 2 places for students enrolled in a master's degree program or single-cycle master's degree program
- 3 places for students enrolled in a Doctoral programme (PhD)

In case the number of eligible applications should not cover all slots, the attribution of places between the two categories of students may vary.

A number of 5 students may be nominated as extra candidates. These students will be placed on a waiting list.

Priority will be given to candidates who have not yet taken part in any of the IDEA League Summer Schools.

The list of appointed students will be published in the University website within 15 days from the application deadline.
