

If you took an English TOLC-I 2024 while you were in the penultimate year of the 2023/2024 school year

| LAUREA (EQUIVALENT TO A BACHELOR OF SCIENCE) PROGRAMMES IN ENGINEERING AND CIVIL ENGINEERING (IN ENGLISH) | |
|--|--|
| ≥ 68/90 | <p>You can use it in the early enrolment phase from 5 May to 12 June 2025 (without ranking list) or in the second, third, or fourth enrolment phase (with ranking list).</p> <p>If you enrol in the early phase go to Online Services > Bachelor's and single cycle degrees: admission or recovery test and enrolment. You can choose your preferred degree programme. Enrolment is completed by paying the first instalment.</p> <p>If you do not enrol during the early phase you can request to be included in the ranking lists of the following phases by accessing Online Services > Bachelor's and single cycle degrees: admission or recovery test and enrolment > Ranking list registration. Registration for the second phase ranking list must be completed by 11:59 a.m. (CEST) on 19 June 2025.</p> |
| ≥ 27 and < 68 | <p>You can use it in the second, third, or fourth enrolment phase (with ranking list).</p> <p>You can retake the English TOLC-I in 2025 to improve your score for ranking purposes.</p> <p>You can request inclusion in the ranking lists of later phases by accessing Online Services > Bachelor's and single cycle degrees: admission or recovery test and enrolment > ranking list registration. Registration for the second phase ranking list must be completed by 11:59 a.m. (CEST) on 19 June 2025.</p> <p>If instead you register an English TOLC-I 2025 the system will ask you to specify your preferences and will automatically register you in the ranking list for the second phase</p> |
| You must have taken the English TOLC-I by 31 July 2024 and registered it in the Online Services by 11:59 a.m. (CEST) on 7 August 2024. | |
